PART B

ITEMS FOR FINAL DETERMINATION BY THE COUNCIL

2. Green Spaces Management Plan – Intention to Prepare

File Reference: ECM 7050850

The matter for consideration by the Council is the initiation of the process to develop a Green Spaces Management Plan, including a public notice relating to that process. The plan will include 421 land parcels and 300 hectares, mostly comprising of recreation and esplanade reserves along streams.

Recommendation:

Moved: Marie Pearce)

Seconded: Jenny Bunn)

That having considered all matters raised in the report the Council approves the development of a Green Spaces Management Plan including the reserves identified in Appendix Four and a public notice advising the intention to prepare and inviting comment to inform the preparation of the draft plan.

3. Classification of Reserves: Green Spaces Management Plan

File Reference: ECM 7020176

The matter for consideration by the Council (acting in its capacity as administering body under the Reserves Act 1977) is applying a reserve classification (and declaration where appropriate) to the land parcels listed in the attached appendices. This action is required as part of preparing a management plan for these reserves.

Recommendation:

That having considered all matters raised in the report and for the purpose of preparing a management plan, the Council:

- a) As the administering body of the following *Council owned reserves* listed in Appendix One, approves classification of those reserves not requiring public notice according to their primary purpose and instructs officers to publicly notify those other reserves for the purpose of classification, pursuant to section 16(2A) and where identified declare as reserve those land parcels pursuant to section 14 of the Reserves Act 1977.
- b) As the administering body of the following *Crown derived reserves vested in Council* listed in Appendix Two, has the delegated authority from the Minister of Conservation to classify those reserves not requiring public notice according to their primary purpose and instructs officers to publicly notify those other reserves for the purpose of classification pursuant to section 16(1) of the Reserves Act 1977.
- c) It is noted that the classifications of the land parcels listed in Appendices One and Two includes a combination of parcels requiring public notice and those that do not. With those land parcels requiring public notice, a report back to the Council will be undertaken where any objections are received. Where no objections are received, officers will proceed with the reserve classification.

The meeting closed at 1.40pm.
