EXECUTIVE SUMMARY

3. This report recommends the adoption of a Charter between the New Plymouth District Council and the HMNZS AOTEAROA.
 4. The recommendation formalises the Council's intention (resolution of April 2017) to enter into a Charter with the new Navy vessel following the decommissioning of the HMNZS ENDEAVOUR and the cessation of the previous Charter with that vessel.
-

BACKGROUND

5. Following decommissioning of the HMNZS ENDEAVOUR, the Council's Charter with the vessel was discontinued. In 2017, the Royal New Zealand Navy advised they would be constructing a new ship (HMNZS AOTEAROA) which would provide a Maritime Sustainment Capability.
6. The Council subsequently accepted the Royal New Zealand Navy's invitation to be the home port for HMNZS AOTEAROA and approved the drafting of a new Charter to formalise the relationship and confer HMNZS AOTEAROA the Freedom of the District. This report presents the draft Charter for Council approval.

A Charter is a formal declaration

7. A Charter is a formal declaration of the relationship between the HMNZS AOTEAROA and the citizens, allowing the freedom to parade through the district "with drums beating, colours flying, and bayonets fixed". This most commonly occurs during a charter parade which allows citizens the opportunity to acknowledge appreciation for the vessels service to the country and recognise the support of families, friends and work colleagues that enable participants to deploy on operations.
8. It is usual for the granting of the Freedom of the District to be reciprocated by having Navy personnel attend the Mayor on official occasions.

Being the home port

9. The HMNZS ENDEAVOUR developed close relationships with local hapū and local schools. It is envisaged that the relationships will continue with HMNZS AOTEAROA.

NEXT STEPS

10. Initial planning is underway for HMNZS AOTEAROA's first visit to her home port, along with a Charter Parade and other formalities.

SIGNIFICANCE AND ENGAGEMENT

11. In accordance with the Council's Significance and Engagement Policy, this matter has been assessed as being of some importance because there is no impact on the Council's statutory purpose, obligations, duties and requirements. There are no financial implications or impacts on levels of service. The signing of a Charter is consistent with previous the previous Charter and the current Charter between the District and the City of New Plymouth Cadet Unit. Charter

OPTIONS

12. There are two reasonably practicable options: approve a Charter or not approve a Charter. The following assessment relates to both options.

Financial and Resourcing Implications

13. There are no financial and resourcing implications associated with adopting a Charter. There may be some cost associated with hosting Civic Events and Functions when the HMNZS AOTEAROA is in port. These can be met from within the current Civic Functions budget.

Risk Analysis

14. There may be reputational risk if within the New Zealand Defence Force if the Council decides not to approve a Charter at this point in time.

Promotion or Achievement of Community Outcomes

15. Adoption of a Charter promotes the People community outcome by supporting our community.

Statutory Responsibilities

16. There are no statutory responsibilities relating to either option.

Consistency with Policies and Plans

17. Both options are consistent with the Council's policies and plans.

Participation by Māori

18. The HMNZS ENDEAVOUR developed a strong relationship with Ngāti te Whiti as the hapū with mana whenua over the Taranaki port area.
19. The Royal New Zealand Navy are working to formalise the relationship of HMNZS AOTEAROA with Ngāti te Whiti hapū, who carved the mauri (life force) and Symbol of Command for the ship.

Community Views and Preferences

20. The community have been supportive of previous visits of the HMNZS ENDEAVOUR. It is anticipated that the community will be supportive of continuing a Home Port relationships with the HMNZS AOTEAROA.
-

Recommended Option

This report recommends option 1 – Approval of a Charter for addressing the matter.
