**COUNCIL AGENDA  
THURSDAY 31 MARCH 2016**

---

**Addressing the council**

Members of the public have an opportunity to address the council during the public forum section or as a deputation.

*A public forum section* of up to 30 minutes precedes all council meetings. Each speaker during the public forum section of a meeting may speak for up to 10 minutes. In the case of a group a maximum of 20 minutes will be allowed.

A request to make a *deputation* should be made to the secretariat within two working days before the meeting. The chairperson will decide whether your deputation is accepted. The chairperson may approve a shorter notice period. No more than four members of a deputation may address a meeting. A limit of 10 minutes is placed on a speaker making a presentation. In the case of a group a maximum of 20 minutes will be allowed.

**Purpose of Local Government**

The reports contained in this agenda address the requirements of the Local Government Act 2002 in relation to decision making. Unless otherwise stated, the recommended option outlined in each report meets the purpose of local government and:

- Will help meet the current and future needs of communities for good-quality local infrastructure, local public services, and performance of regulatory functions in a way that is most cost-effective for households and businesses;
- Would not alter significantly the intended level of service provision for any significant activity undertaken by or on behalf of the Council, or transfer the ownership or control of a strategic asset to or from the Council.

 TEAM: Policy Development  
 APPROVED BY: Liam Hodgetts (Group Manager Strategy) and Sue Davidson  
 (Chief Operating Officer)  
 WARD/COMMUNITY: All of district  
 DATE: 24 March 2016  
 FILE REFERENCE: ECM 7069572

**MATTER**

The matter for consideration by the Council is the adoption of the Schedule of Fees and Charges for the 2016-17 financial year.

**RECOMMENDATION FOR CONSIDERATION**

**That having considered all matters raised in the report the Council adopt the Schedule of Fees and Charges for the 2016-17 financial year.**

<b>COMPLIANCE</b>	
Significance	This matter is of some importance.
Options	This report identifies and assesses the following reasonably practicable options for addressing the matter: <ol style="list-style-type: none"> <li>1. Adopt the draft Schedule of Fees and Charges 2016-17.</li> <li>2. Amend and adopt the draft Schedule of Fees and Charges 2016-17.</li> </ol>
Affected persons	The persons who are affected by or interested in this matter are any users of the services to which the fees and charges apply.
Recommendation	This report recommends option one for addressing the matter.
Long-Term Plan / Annual Plan Implications	Yes.
Significant Policy and Plan Inconsistencies	No.

## EXECUTIVE SUMMARY

The Council adopts the Schedule of Fees and Charges on an annual basis to cover the financial year to which the schedule applies. The current Schedule of Fees and Charges adopted as part of the Long-Term Plan 2015-2025 expires on 1 July 2016. The draft Schedule of Fees and Charges is proposed to be adopted for the 2016-17 financial year. There are no significant changes proposed to the 2016-17 schedule compared to the current schedule, therefore the Council can adopt the 2016-17 schedule without consultation.

## BACKGROUND

The Revenue and Financing Policy sets the basis for determining fees and charges. The policy states that fees and charges are either full or part charges to recover the costs of services and that they are usually used where the user of the service has discretion on whether to use the service or not.

The current Schedule of Fees and Charges have been reviewed for the 2016-17 financial year. The draft Schedule of Fees and Charges for 2016-17 only proposes minor changes to the current 2015-16 schedule. There are no legislative requirements for consultation on the proposed minor changes to the fees and charges. In addition, the minor changes have been deemed to be of some importance and as such do not require consultation with regards to the Council's Significance and Engagement Policy. The following information summarises the minor changes to the Schedule of Fees and Charges 2016-17:

- Inflation- various fees and charges have had inflation applied where deemed appropriate in consultation with the service manager.
- Customer Services- *room hire for Inglewood and Waitara Library and Service Centres*- increased by \$5 to ensure cost recovery and to align with previous increases in other Customer Services room hire from previous years.
- Recreation and Events- *Event Venues, rehearsal and pack in/out days for the TSB Theatre and Theatre Royal* have increased by 10% and 5.3% and a *function on stage at the TSB Bowl of Brooklands* has increased by 5% to ensure cost recovery is in line with other similar charges.
- Regulatory Services- *Building consents and associated processes*- the charge for additional staff time for a *Development Engineer* has decreased by 6.2% to align this charge with other similar charges in the Schedule.
- Regulatory Services- *Enforcement*, the 10% discount for early payment of the following fees have been removed and the 10% reduced fee has been applied to all charges:
  - Environmental Health (Local Government Act 2002 and Bylaws):
    - *Mobile shop (not food) licence*
    - *Stall licence*
    - *Hawkers licence*

- *Itinerant traders licence*
- *Licence- Prescribed Process (NPDC Bylaw 2010, Part 6: Beauty Therapy, Tattooing and Skin Piercing)*
- Food Premises (Health Act 1956):
  - *Food registration- high risk*
  - *Food registration- low risk*
  - *Premises not requiring registration*
- Registration (other premises).
  - *Offensive trade*
  - *Camping ground*
  - *Hairdresser*
  - *Mortuary/funeral director*
- Property- lease transfer/mortgage consent, charges for *Onaero Domain, Urenui Domain* and *Tongaporutu Recreation Reserve* have been increased by 25% to ensure these services are cost recoverable for staff time.
- Roads- Corridor Access Request System (CAR) application fees, *CAR additional inspection* increased by 5.1% and *Investigation into road opening that has not been advised* increased by 9.3%. These increases are to ensure that the cost of processing is recovered.

The draft Schedule of Fees and Charges for 2016-17, including the minor changes as detailed above, is attached in Appendix 1.

### **Development contribution charges**

It is also noted that inflation will be applied to development contribution charges. These charges are not specifically listed in the Schedule of Fees and Charges. Inflation will be applied as stated in the Council's Development and Financial Contributions Policy under policy statement 60:

*60. Development contribution charges will be increased annually under the provisions of section 106 (2C) ensuring that the increase does not exceed the result of multiplying together:*

*a) The rate of increase (if any), in the Producers Price Index Outputs for Construction provided by Statistics New Zealand since the development contribution was last set or increased; and*

*b) The proportion of the total costs of capital expenditure to which the development contribution will be applied that does not relate to interest and other financing costs.*

Section 106 (2B) and (2C) enables the Council to increase development contributions without consultation, formality, or a review of the policy if it meets the requirements of s106 (2C) as stated above. The inflated Development Contribution charges will come into effect on 1 July

2016 and the Development and Financial Contributions Policy will be updated to reflect the new charges.

### **SIGNIFICANCE AND ENGAGEMENT**

In accordance with the Council's Significance and Engagement Policy, this matter has been assessed as of some importance because the proposed changes are deemed to be minor compared to the current Schedule of Fees and Charges consulted on and adopted as part of the LTP 2015-2025. In addition, it is considered that the views and preferences of interested and affected parties have already been considered as part of the consultation during the LTP 2015-2025.

### **OPTIONS**

**Option 1** Adopt the draft Schedule of Fees and Charges 2016-17.

- a) **Financial and Resourcing Implications**  
Fees and charges assist the Council to recover or partially recover the costs of providing its services. The proposed changes to the Schedule of Fees and Charges assists those services to recover increasing costs incurred through delivering the service.
- b) **Risk Analysis**  
There are no significant risks associated with this option.
- c) **Statutory Responsibilities**  
There are no legislative requirements regarding the proposed changes to the fees and charges.
- d) **Consistency with Policies and Plans**  
The proposed changes to the Schedule of Fees and Charges are consistent with the Council's approach to using fees and charges described in the Revenue and Financing Policy. This option is also consistent with the Significance and Engagement Policy regarding the proposal to adopt the minor changes proposed to the Schedule of Fees and Charges without consultation. This option is also consistent with the Fees and Charges Policy which states that fees and charges should be reviewed annually and that fees and charges may be set by Council resolution.
- e) **Community Views and Preferences**  
Users of the relevant services who will be required to pay the fee or charge will be interested and affected by the Schedule of Fees and Charges. The current Schedule of Fees and Charges was consulted on as part of the LTP 2015-2025. The proposed changes to the Schedule of Fees and Charges are considered to be minor and will not have a

significant additional affect on service users, as such it is considered that the consultation carried out during the LTP 2015-2025 is sufficient to inform the proposed fees and charges for 2016-17.

- f) Participation by Māori  
There are no specific implications for Māori regarding this option.
- g) Advantages and Disadvantages  
The advantage of this option is that the proposed changes to the fees and charges will improve cost recovery of those specific services and also allow inflation to be factored into the fees and charges regime.

**Option 2** Amend and adopt the draft Schedule of Fees and Charges 2016-17.

- a) Financial and Resourcing Implications  
Any amendment may have financial implications on the cost recovery of that particular service. Further amendments may trigger the requirement to consult depending on legislative requirements, bylaw requirements or the significance of the change in fee or charge. This will require additional resources to undertake.
- b) Risk Analysis  
Any amendments may be inconsistent with the Council's Revenue and Financing Policy. Any proposed amendments may require further analysis to determine consistency with existing Council policy and any consultation requirements.
- c) Statutory Responsibilities  
Depending on the proposed amendment there may be statutory requirements to carry out consultation prior to adoption of the fee or charge.
- d) Consistency with Policies and Plans  
Any amendments will require assessment to determine their consistency with Council policy.
- e) Community Views and Preferences  
Further assessment will be required on any proposed amendment to determine if the views and preferences of the community are know.
- f) Participation by Māori  
There are no specific implications for Māori regarding this option.

- g) **Advantages and Disadvantages**  
The disadvantage of this option is that further assessment will be required to determine the implications of any proposed amendment. This will require additional time and resources and is not considered to be the most efficient and effective option.

**Recommended Option**

This report recommends option one for addressing the matter.

Appendix 1 Schedule of Fees and Charges for 2016-17 -ECM 7070756 (Attached as a separate document)

## ADOPTION OF THE SUPPORTING INFORMATION AND THE CONSULTATION DOCUMENT FOR THE PROPOSED ANNUAL PLAN 2016/17

PREPARED BY: Mitchell Dyer (Policy Development Lead)  
 TEAM: Policy Development  
 APPROVED BY: Liam Hodgetts (Group Manager Strategy)  
 WARD/COMMUNITY: All of district  
 DATE: 24 March 2016  
 FILE REFERENCE: DM7066481

### MATTER

The matter for consideration by the Council is the proposed Annual Plan 2016/17 and the adoption of the supporting information and the Consultation Document.

### RECOMMENDATION FOR CONSIDERATION

**That having considered all matters raised in the report the Council:**

- a) **Adopt the supporting information that has been relied on for the content of the Consultation Document for the proposed Annual Plan 2016/17.**
- b) **Adopt the Consultation Document for the proposed Annual Plan 2016/17.**
- c) **Note that:**
  - i) **Consultation will be undertaken from 13 April to 13 May 2016;**
  - ii) **The hearing and deliberation of submissions is set for 9 and 10 June 2016; and**  
=
  - iii) **An extraordinary Council meeting is set for 28 June to adopt the Annual Plan 2016/17.**

<b>COMPLIANCE</b>	
Significance	This matter is of some importance.
Options	<p>This report identifies and assesses the following reasonably practicable options for addressing the matter:</p> <ol style="list-style-type: none"> <li>1. Adopt the draft supporting information and Consultation Document.</li> <li>2. Amend and adopt the draft supporting information and Consultation Document.</li> </ol>

**ITEM B****ITEM FOR DECISION**

<b>COMPLIANCE</b>	
Affected persons	The persons who are affected by or interested in this matter are the public of New Plymouth District.
Recommendation	This report recommends option one for addressing the matter.
Long-Term Plan / Annual Plan Implications	Yes.
Significant Policy and Plan Inconsistencies	No.

**EXECUTIVE SUMMARY**

At the 1 March 2016 Council meeting the Council determined it would consult in relation to the proposed Annual Plan 2016/17. The Local Government Act 2002 (LGA) requires local authorities to prepare and adopt a Consultation Document (CD) for annual plan consultation. Local authorities are also required to first adopt the supporting information that is relied on for the content of the CD. This report therefore recommends the Council first adopt the supporting information relied upon for the CD and then also adopt the CD for public consultation.

**BACKGROUND**

The initial decisions regarding the proposed Annual Plan 2016/17 (AP 2016/17) were made at the 15 December 2015 and 1 March 2016 Council meetings. It is noted that:

- All of the individual items of variation were considered to not individually represent significant or material variations from the LTP 2015-2025;
- Following the 1 March 2015 Council meeting the AP 2016/17 has an indicative baseline rates requirement rise of 3.6 per cent compared to the LTP 2015-2025 forecast of 4.6 per cent;
- The main drivers of the lower rate increase are organisational realignment and restructuring, lower interest rates, lower overall borrowing and an increase in the Perpetual Investment Fund (PIF) dividend; and
- Therefore the overall variation of the AP 2016/17 is not considered to represent significant or material variation from the LTP 2015-2025.

The Council has resolved to consult on the AP 2016/17 in accordance with section 95(2) of the LGA.

In relation to annual plan consultation section 95(2) of the LGA requires that:

*Subject to subsection (2A), a local authority must consult in a manner that gives effect to the requirements of section 82 before adopting an annual plan under this section.*

Further, section 82A(3) of the LGA requires that:

*In the case of consultation on an annual plan under section 95(2), instead of complying with subsection (2), the local authority must prepare and adopt a consultation document that complies with section 95A.*

Section 95A(1) of the LGA requires that:

*The purpose of the consultation document under section 82A(3) is to provide a basis for effective public participation in decision-making processes relating to the activities to be undertaken by the local authority in the coming year, and the effects of those activities on costs and funding, as proposed for inclusion in the annual plan, by—*

- (a) identifying significant or material differences between the proposed annual plan and the content of the long-term plan for the financial year to which the annual plan relates; and*
- (b) explaining the matters in paragraph (a) in a way that can be readily understood by interested or affected people; and*
- (c) informing discussions between the local authority and its communities about the matters in paragraph (a).*

As previously noted both the individual and the overall variations of the AP 2016/17 are not considered to represent significant or material variations from the LTP 2015-2025. Subsequently, there are no significant or material departures from the financial statements or the funding impact statement and there are no significant implications for the Council's financial strategy.

The Council has however determined to seek community feedback on three key proposals being:

- the proposed New Plymouth City CBD Saturday free parking (\$525,000);
- the proposed Events and Venues additional funding of \$100,000 for event attraction in relation to Council venues; and
- the proposed Todd Energy Aquatic Centre redevelopment study (operating cost \$100,000).

**ITEM B****ITEM FOR DECISION**

It is also noted that the Council's Significance and Engagement Policy details that for consultation regarding an annual plan that the Council will:

- Prepare information to meet the requirements of section 82A of the LGA;
- Make the information available to the public;
- Allow written submissions for a period of up to four weeks; and
- Consider all submissions prior to making decisions.

All submissions received will be considered through a Council hearing and deliberations (currently set for 9 and 10 June 2016). The draft AP 2016/17 will then be adopted by the Council (currently set for 28 June 2016).

***Supporting information***

The Council is required to adopt the supporting information that is relied on for the content of the CD. Section 95A (4) of the LGA requires that this information must be adopted by the Council before it adopts the CD.

In accordance with the Council decision the content of the CD concentrates on the three key proposals as detailed previously in this report. The three key proposals determined to be the focus of the consultation have already been reported to the Council as an integral part of the AP 2016/17. It is therefore considered that the reports to the Council regarding the three key proposals and the AP 2016/17 (and the relevant Council resolutions) constitute the necessary information that is relied on for the content of the CD.

The following Council reports and resolutions make up the supporting information attached as Appendix 1 of this report:

- 20 October 2015 Policy Committee Meeting Officer report on Todd Energy Aquatic Centre Redevelopment Next Steps and Council resolution;
- 15 December 2015 Council Meeting Officer report on AP2016/17 and Council resolution;
- 1 March 2016 Council Meeting Officer report on New Plymouth CBD Parking results of trial and options for AP2016/17, the Marketview 26 February 2016 updated report 'Impact of Free Parking on the New Plymouth CBD' and Council resolution; and
- 1 March 2016 Council Meeting Officer report on AP2016/17 and Council resolution.

The recommendation is that the Council adopt the supporting information relied on for the content of the CD for the AP2016/17.

**Consultation Document**

The Council has determined to consult and seek community feedback on three key proposals:

- the proposed New Plymouth city CBD Saturday free parking (\$525,000);
- the proposed Events and Venues additional funding of \$100,000 for event attraction in relation to Council venues; and
- the proposed Todd Energy Aquatic Centre redevelopment study (operating cost \$100,000).

The proposed CD covers the three key proposals and is attached as Appendix 2.

Other than requiring the CD to be presented in a concise and simple manner, there is no legislative requirement regarding the exact format of the CD. Council officers propose that the information be concisely and simply presented in a one page document that includes references to relevant supporting information.

It is proposed that the CD in Appendix 2 once adopted by the Council is published as the Council's 'Seven Days' page inside the *North Taranaki Midweek* newspaper of 13 April, and is made available on the Council website and at libraries, service centres and the Civic Centre.

Consultation will run from 13 April to 13 May and will include regular coverage in the Council's Seven Days page, the Council's MyRates website, news releases, radio adverts, social media coverage, and through other media publications including TOM Oakura, Opunake and Coastal News, LIVE Magazine and the Taranaki Business Review.

The submission form is also attached in Appendix 2.

**SIGNIFICANCE AND ENGAGEMENT**

In accordance with the Council's Significance and Engagement Policy, this matter has been assessed as having some importance. By determining to consult on AP2016/17 the Council is required by legislation to adopt supporting information and a CD.

The proposed community engagement schedule enables the Council to adopt the AP 2016/17 within the required statutory timeframes.

**OPTIONS****Option 1 Adopt the draft supporting information and Consultation Document**

- a) **Risk Analysis**  
There are no perceived risks associated with this option.
- b) **Advantages and Disadvantages**  
The advantage of this option is that the supporting information and consultation document have been prepared to align with the Council resolutions on the matters to be included for consultation on the AP 2016/17. This option also ensures that the Council is meeting legislative requirements and will ensure that the timeframes for consultation and adoption of the Annual Plan are within statutory requirements.

**Option 2 Amend and adopt the draft supporting information Consultation Document**

The Council is able to make amendments to the supporting information and/or CD.

Any amendments to the CD must fit within the parameters of the LGA 2002 specifically the requirements of s95A LGA 2002 regarding the purpose and content of the CD.

- a) **Risk Analysis**  
Any substantive amendments to the CD may require further analysis by Council Officers prior to final adoption of the CD. This could have a flow on effect on the timeframes for public consultation and adoption of the AP 2016/17.
- b) **Advantages and Disadvantages**  
The disadvantage of this option is that additional staff time will be required to analyse any proposed amendments and update the CD and/or supporting information. As stated previously, this may have implications for the timeframes for the AP 2016/17 process and have flow on effects for other work programmes.

**General options assessment**

- a) **Financial and Resourcing Implications**  
The financial and resourcing requirements to carry out the consultation will be met within existing Strategy Group budgets.

**ITEM FOR DECISION****ITEM B**

- b) **Promotion or Achievement of Community Outcomes**  
The Annual Plan shows how the Council will deliver its services, which in turn contribute to the achievement of the community outcomes.
- c) **Statutory Responsibilities**  
If consultation is required on an Annual Plan then the LGA 2002 requires the Council to prepare and adopt supporting information and a CD as the basis for consulting with the public.
- d) **Consistency with Policies and Plans**  
The proposed consultation on the proposed AP 2016-17 is consistent with the Council's Significance and Engagement policy which states that for Annual Plan consultation the Council will:
- Prepare information to meet the requirements of s82A LGA 2002.
  - Make the information available to the public.
  - Allow written submissions for a period of up to four weeks.
  - Consider all submissions prior to making decisions.
- e) **Participation by Māori**  
Māori have the opportunity to participate in decision-making on the three key proposals through the proposed consultation process.
- f) **Community Views and Preferences**  
The proposed consultation will enable the public to present their views and preferences to the Council on the three key proposals.

**Recommended Option**

This report recommends option one for addressing the matter.

**APPENDICES**

- Appendix 1 Supporting information relied on for the content of the Consultation Document for the proposed Annual Plan 2016/17 (attached as a separate document ECM7071407)
- Appendix 2 Consultation Document for the proposed Annual Plan 2016/17 (attached as separate document)
- Appendix 3 Submission Form for the proposed Annual Plan 2016/17 (ECM 7071409)

SUBMITTER NUMBER

We are developing our Annual Plan for 2016/17 and we would like to hear your thoughts on three key proposals. Any individual or organisation can make a written submission. Your submission will be considered by the Council in an open meeting. Please return your submission form no later than **5pm on Friday 13 May 2016**.

*Please note: As required by legislation, all submissions, including any personal information, will be made available to the public and media as part of the Council's decision making. Consultation will close on Friday 13 May 2016 and late submissions cannot be accepted.*

Full Name/Organisation:

Address:

Phone (Day):

Email:

## Speaking to your submission

Do you want to speak to the Council in support of your submission? (early June)  Yes  No

*If one of the boxes is not ticked we'll assume you don't want to be heard.*

If yes, please let us know how long you want to speak for.  Five minutes  10 minutes  15 minutes

## Our three proposals:

### 1. Todd Energy Aquatic Centre Redevelopment Study

Carrying out a study to look at different options for redeveloping the Todd Energy Aquatic Centre would cost up to \$100,000 and increase the average residential rate by about four cents per week.

**Do you think the Council should undertake a study on the redevelopment options for the Todd Energy Aquatic Centre?**

No

Yes

If yes – do you have any suggestions on what the study should consider?

YOUR COMMENTS

Continue over page

## 2. Free Saturday Parking in the New Plymouth Central Business District (CBD)

Free time-limited Saturday parking in the New Plymouth CBD would cost the Council up to \$525,000 per year in foregone revenue. This would increase the average residential rate by about 20 cents per week.

**Do you think the Council should provide free time-limited Saturday parking in the New Plymouth CBD?**

- No  
 Yes

YOUR COMMENTS

## 3. Additional funding for event attraction for the Council's Event Venues

Providing additional funding of \$100,000 to attract events to the Council's Event Venues would increase the average residential rate by about four cents per week.

**Do you think the Council should add \$100,000 to the Event Venues budget for attracting events?**

- No  
 Yes

YOUR COMMENTS

### Thank you for your submission

The information you provide is important and helps the Council make decisions.

#### There are many ways to send us your submission

**Mail it** To NPDC Annual Plan Submissions, Reply Paid DX, DX Box NX10026, New Plymouth.

**Deliver it** To the Civic Centre, Liardet Street, New Plymouth; or to the library and service centres in Bell Block, Inglewood or Waitara.

**Email it** To [submissions@npdc.govt.nz](mailto:submissions@npdc.govt.nz)

**Do it online** Go to [newplymouthnz.com/annualplan](http://newplymouthnz.com/annualplan) to submit a web version of this form. Or see the impact of our proposals on your individual rates bill and send us your feedback at [myrates.npdc.nz](http://myrates.npdc.nz).
