Statement on Sale of Tasman Farms

Following today's announcement by OnCard International, the position of New Plymouth District Council regarding the sale of Tasman Farms is unchanged.

Mayor Andrew Judd says: "Our agreement with the buyer follows the receipt of a significantly superior offer to the one we had previously received. In accepting this offer the Council is fulfilling its obligation to make decisions that are in the best interests of the New Plymouth District community.

"Comprehensive legal advice has been taken throughout the transaction process."
