We also contacted the council a couple of years ago to enquire about building on the site and nothing was brought to our attention then. The site has been significantly excavated and developed by previous owners, and to our knowledge no artefacts have ever been discovered here. We object to the Archaeological Site shown on this land until such time as proper evidence can be provided proving the location of the site. We wish to see a copy of the full archaeological reports for this site.</p> | <p>We seek this submission to be disallowed.</p> |
