44.2 Mark Laird 6 Junction Street	44.2	Support	2.6	<p>The reason for my support is that this development provides a great opportunity to further connect the community to the walkways available for public use.</p> <p>To further improve this, I suggest a further piece of land at 33 Saxton road should be added for consideration for rezoning to residential to give more residents of the expanding Carrington Road region access to these parks like Te Henui walkway. By opening up 33 Saxton Road, property ID 4650259 this will help connect the public to these great assets and support the 'Lets Go' initiative of the NPDC.</p> <p>Opening up this part will allow planning to be done in such a way that if the walkway is extended up the river then this will provide direct access to the SDA School which is next door and currently in the process of expanding the role. It will also provide a link to those attending schools such at Welbourne.</p>	<p>I seek that the whole part of this is allowed and with special emphasis on opening up land that will help provide the community with more access to public walkways.</p>
