Kevin Best 4 Byron Place submitter 267	Sub No. / Point No. 267.1	Support / I am in support of his submission	Provision	I support this submitter because I think he is correct in saying that the surrounding land is already zoned as Residential and the land in question from St Ives grove to the main highway (all of 22b St Ives grove) is not big enough to support livestock for the purpose of rural production and would be far more suitable as large block residential in keeping with the surrounding properties and the future growth of the town.	i Seek that the submission be allowed and that the council decides to rezone the area from St Ives grove to the main highway 45 as residential.
