1 David + Anne Honeyfield	Sub No. / Point No. 83.1	<input checked="" type="checkbox"/> Support <input type="checkbox"/> Oppose	Provision. SCHED 7 ID 574	I would like to be able to trim trees on top of the bank where it affects light coming through in the winter. I think the rules	I would like council to be ^{have} more flexibility for tree trimming around houses where it affects light and also where big trees can fall down onto your house I have planted approx.
	Sub No. / Point No.	Support / Oppose	Provision	should be changed to allow for this. I've got concern about council regulating properties. I have planted many natives and am happy to look after them. I have removed many weeds + sprayed weeds on my property. + I undertake pest control.	700 natives on my acre of land so I think that this should be take into consideration.
