Barking dog survey

Dear Sir/Madam

BARKING DOG SURVEY

In order for New Plymouth District Council (NPDC) to proceed with a complaint about a noisy dog, we require evidence to prove that the nuisance is persistent and loud.

We would appreciate it if you would make notes for the next two weeks in the attached survey, to help us with our investigation.

Your notes in the survey should state the time, date, and duration of the barking as well as the nature or characteristics of the barking. The address where the dog is kept also needs to be identified.

Details of your name and address will remain confidential to NPDC unless the issue proceeds to a court hearing, at which point you would be notified prior to this happening.

NPDC requires a completed survey in order to proceed with any investigation.

Please return the completed survey to NPDC in the pre-paid envelope enclosed or email a copy to enquiries@npdc.govt.nz.

Yours faithfully
