Explanations in this guide are intended to assist you to complete the application cover page form - numbers on the form relate to the explanatory notes in this guide.

How to use the application cover page form

The Council administers a number of Acts on behalf of central Government. Each Act sets out specific requirements on what type of activities or projects need to be approved under that legislation.

This application form is designed to offer you an integrated way to apply for multiple approvals or Council services and achieve compliance for your project.

You only need to submit one application cover page form if you are applying for multiple approvals at one time.

2. Property owner details

Write the name and contact details for all owners. Include any company or trust name.
