1b. Contact person

1c. Contact details

Work Home Mobile

1d. Email

1e. Company address

2. Eligibility checklist

Please tick those that apply:

- 2a. Project promotes or achieves waste minimisation (reduction, reuse, recycling and/or recovery) and is consistent with the New Plymouth District Council (NPDC) Waste Management and Minimisation Plan (WMMP).
- 2b. Project provides benefits to present and future needs of the district.
- 2c. Project results in new waste minimisation solutions (new initiative or expansion of existing).
- 2d. Funding is not for ongoing financial support of existing activities or running costs.
- 2e. Project is for a discrete timeframe, with outcomes in the next 12 months.
- 2f. Funding does not cover the entire cost of the project. Part funding from other sources is identified.
- 2g. Project will be delivered in the New Plymouth District.

3. Project details

3a. Project name

3b. Purpose. Outline below what you hope the project will achieve:

Additional information provided/attached.

3c. Project location

3d. Project duration

3e. Project type Infrastructure Service Education/behaviour change Research

3f. Waste stream Landfill waste Packaging Construction and Demolition Organic
 E-waste Tyres Hazardous Plastics
 Other (please specify)

4. Objectives

4a. List high level objectives and how these will be achieved.

Please attach a project plan (required) showing when key milestones will be achieved and any other contributors.

5. Waste diversion potential

5a. How much waste does your project propose to reduce, reuse, recycle or recover?

5b. How does your project promote or achieve waste minimisation? What are the specific benefits?

6. Community

6a. Who is the target audience for your project?

6b. How many people do you estimate will benefit?

7. Similar activities

7a. Are you aware of any similar waste minimisation activities in our district? If yes, outline below:

8. Funding requirements

8a. What is the total cost of your project (proof required)?

Budget/costs breakdown attached.

8b. What portion would you like to be funded from the Waste Levy?

 \$

8c. What are your other funding sources? Please list who is providing funding and the funding amount:

9. Reporting requirements

Successful applicants will be expected to report on progress and final outcomes of the project.

The level of reporting will depend on the amount of funding approved. As a guide, projects greater than \$3,000 should report at significant milestones and at the end of the project. For projects less than \$3,000, a final report may be all that is required. Please note that further evidence to support your application may be requested.

9a. Please outline your proposed reporting requirements below:

10. Applicant's declaration

I confirm that the information provided on the application form is true and correct. I have read and understood the terms and conditions of the Waste Levy fund requirements as outlined on the NPDC website.

I consent to NPDC collecting and retaining the contact person details provided in this application and using these details for the purpose of assessment of this project.
