

Explanations in this guide are intended to assist you to complete the application for off-licence or renewal of an off-licence form - numbers in the form relate to the explanatory notes in this guide.

Background

A licence under the Sale and Supply of Alcohol Act 2012 is required when you intend to sell or supply alcohol to the public. The Act aims to:

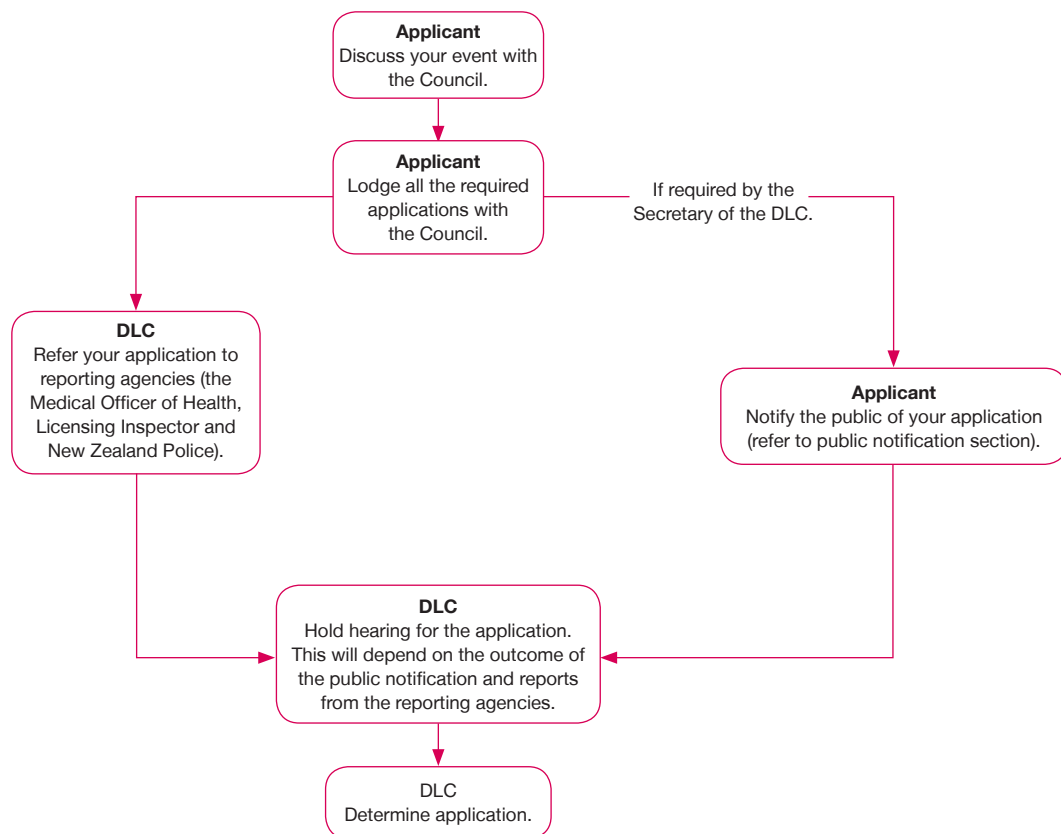

- Promote the safe and responsible sale, supply and consumption of alcohol.
- Minimise the harm caused by excessive or inappropriate consumption of alcohol.

You will need to submit your licence application to the New Plymouth District Licensing Committee (DLC) if your premises is in the New Plymouth district.

What is an off-licence?

An off-licence authorises the holder of the licence to sell or deliver alcohol on or from the premises to any person for consumption elsewhere.

Process

Processing times

Depending on when you advertise your application, whether there are any submissions from the public and the time taken to receive reports from the agencies, the process can take up to 12 weeks.

The DLC will notify you, the reporting agencies and the objectors of the decision. After the decision, all parties will have 10 working days to appeal. The issue of your licence will depend on whether there are objections to your application or the outcome of the appeal, if any.

Please turn over

Binding interpretations of the Acts, regulations and bylaws can only be issued by the courts. Indications and guidelines issued by the Council are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser.

TO: THE APPLICANT

The Police are just one of the agencies tasked with promoting the principals of the Sale and Supply of Alcohol Act. It is well known that alcohol is a key aggravator in crime and in particular family violence, street disorder, anti-social behaviour and the road toll. Strategies have been put in place by the Police to reduce the numbers of such incidents and crimes occurring.

Police enquiries will be made to establish whether you are a fit and proper person to be granted the licence or certificate applied for, and whether you are considered capable of exercising proper control over the premises or the sale and supply of alcohol to patrons.

The Police may object to the granting of the licence or certificate if you have previous court convictions or if enquiries reveal that you have not operated the licence or certificate in such a way so as to contribute to the reduction of alcohol abuse in accordance with the objects of the Act. Previous convictions need not stop you getting an 'On' or 'Off' Licence or a Manager's Certificate, but they may be a factor in any decision made to object to the granting of your application.

Please complete the attached questionnaire to enable the Police to prepare a report to the District Licensing Committee in accordance with the provisions of the Act. Police Officers may visit your premises or check with you on the validity of answers given in the questionnaire.

If you have any queries please contact New Plymouth Police on 06-759 5500.
