

Explanations in this guide are intended to assist you to complete the application for special licence form. Numbers on the form relate to these guidance notes.

Background

A licence under the Sale and Supply of Alcohol Act 2012 is required when you intend to sell or supply alcohol to the public. The objectives of the Act are to:

- Promote the safe and responsible sale, supply and consumption of alcohol.
- Minimise the harm caused by excessive or inappropriate consumption of alcohol.

Applications are assessed against the criteria set out in the Act and are determined by the New Plymouth District Licensing Committee (DLC).

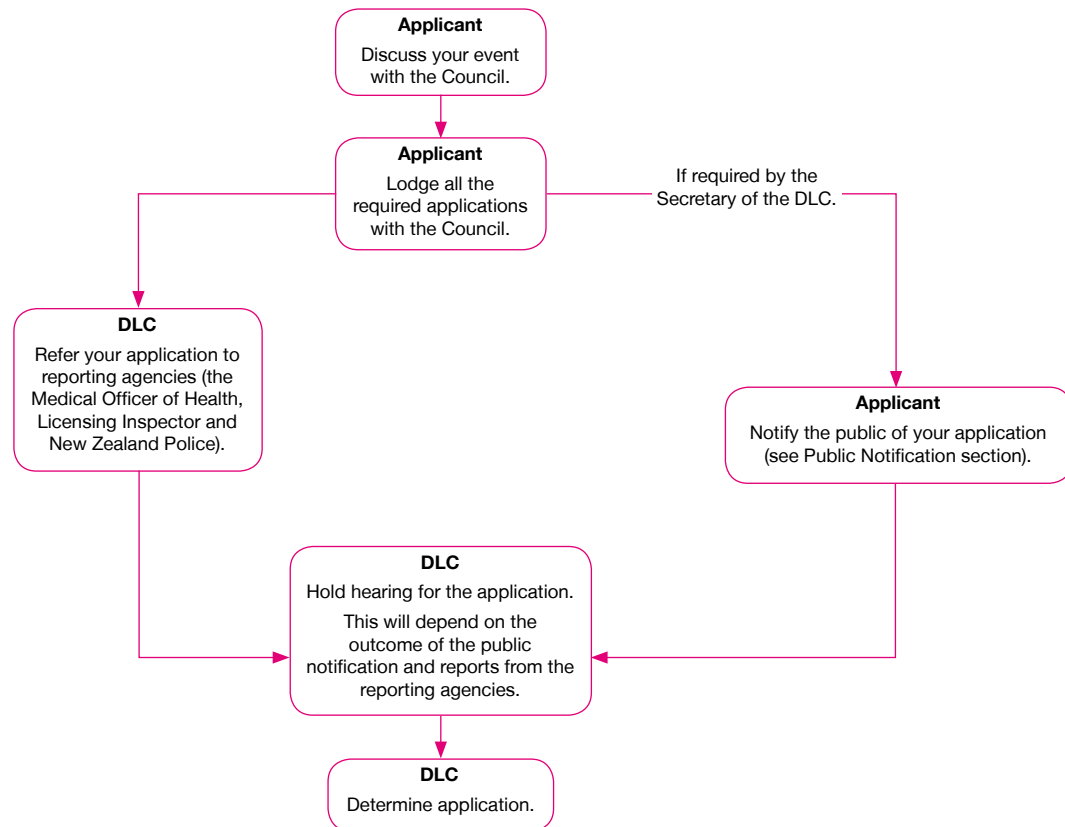

What is a special licence?

A special licence is the permit issued under the Sale and Supply of Alcohol 2012 to sell and supply alcohol to the public from a premises during an event. The two types of special licence are:

- **On-site** – Alcohol will be sold and consumed at the premises (venue of the event).
- **Off-site** – Alcohol will be sold at the premises (venue of the event) and will be consumed elsewhere.

A special licence can be issued for both types.

Process

Processing times

The Act requires applications to be submitted at least 20 working days before the event. However, depending on the nature and the scale of your event(s), the application process can take up to 12 weeks.

Days when applications will not be considered (non-working days)

Under the Act, the period of 20 December to 15 January are non-working days, or days when no applications will be considered.

Special licence applications must be submitted at least 20 working days before the event. If your event is held anytime between 20 December and 28 February, it is advisable that you submit your application well in advance.

Indications and guidelines issued by the Council are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser.
