Where the venue holds an alcohol licence, the gaming machines must be located within that part of the venue designated as a supervised area or a restricted area under the Sale and Supply of Alcohol Act 2012.

Where the venue provides a family dining area, the part of the premises to be used for the operation of gaming machines shall be physically separated or screened so they cannot be seen from the dining area and will not be readily accessible to any person under the age of 18 years.
