Explanations in this guide are intended to assist you to complete the application cover page form - numbers on the form relate to the explanatory notes in this guide.

How to use the application cover page form

The Council administers a number of Acts on behalf of central Government. Each Act sets out specific requirements on what type of activities or projects need to be approved under that legislation.

This application form is designed to offer you an integrated way to apply for multiple approvals or Council services and achieve compliance for your project.

You only need to submit one application cover page form if you are applying for multiple approvals at one time.

Guidance notes to assist completion of your application cover page form

1. Property details

1a. Site address

Write the physical address where the project will take place.

If the building has a name, please include it in the site address. PO Box addresses are not acceptable.

- PO Box 456, New Plymouth.

For properties that are undergoing subdivision, use the address indicated on the Land Transfer Plan with section 223 certificate endorsed.

Write the lawfully established use of the building.

If you do not know this, please describe to the best of your knowledge. For example: single residential dwelling; shop; takeaway bar; warehouse.

1d. Rapid Number

If the project is in a rural area and you have purchased a rapid number, write this number in the space provided.

DISCLAIMER: BUILDING CONSENT APPLICATIONS ACCEPTED FOR LAND UNDERGOING SUBDIVISION

The owner/applicant accepts that the issue of a building consent as requested in an application does not provide any assurance or representation by New Plymouth District Council that legal title to the land is now or will ever become available and the owner/applicant should take legal advice before commencing construction work.

2. Property owner details

Write the name and contact details for all owners. Include any company or trust name.

If the property is owned by a company, partnership or trust, write the name of the person representing the organisation.

WATER BILLING

If you are applying for a water connection and it needs to be metered, water billing will be sent to this address.

Binding interpretation of the Acts, regulations and bylaws can be issued only by the courts. Indications and guidelines issued by the Council are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser.

3. Payer details

- Indicate who will receive the invoice.

4. Description of project

4a. Detailed description of the development/project
