4. Street or landmark location details - continued

Location details

4e. Street name and number

4f. Suburb

4g. Town/city

4h. Postcode

4i. List below additional location details (map references, GIS coordinates) and/or attach relevant photographs.

4j. Please attach a map of the street or location. The map should provide as much detail as possible (available from NPDC, Google, etc.)

5. Application details

Reason why Poppy Places status is being sought

5a. Briefly summarise below what significance the identified road or landmark has in terms of its association with New Zealand military conflicts and operational services overseas.

The story

5b. Please provide a brief outline of the story behind the application. If an article is ready to be published on the Poppy Places website, please attach a copy to this application.

- You may also attach additional evidence to support your submission, including: survey maps, certified copies of historical documents, names of engaged stakeholders, letters of support and bibliographic references.
- If attaching photographs, please acknowledge the owner or source using the following format: Title, Author, Source and License.

Commemoration arrangements

5c. Please outline below how the commemoration event would be marked.
