1. My name is **DAMIEN LEGRAND**.
2. I usually reside in Oakura, Taranaki, although I am currently situated in Morocco.
3. I hold a Masters degree in Engineering.
4. I am a Managing Director with BIM Solutions Centre. BIM Solutions provides computer modelling services for clients internationally. Our Building information modelling (BIM) clients include owners & developers, architects, engineers, contractors and facility managers.
5. Upon request made by Mr Dinnis, I have prepared 3D renders of the proposed Farm Source development at 2475 South Road. I based these renders on the drawings supplied in the application documentation (BTW).
6. For Drawings A1-004 – A1-006 I have also shown photographs supplied by Mr Dinnis at the same perspective, alongside my visual simulations of the proposed Farm Source building.
