

# Pukeiti

## Into the future

### Towards a Predator-Free Taranaki

Pukeiti is an important part of 'Towards a Predator-Free Taranaki', a region-wide predator programme aiming to make Taranaki free of introduced predators. Native forest and wildlife will be protected by removing stoats, possums and rats. **2018 onwards.**

### Family Hut

A hut for groups of up to 12 people will be built in this beautiful location within Pukeiti Rainforest. It will be an amazing building, designed in a similar style to Pukeiti's treehouses. **2018 – 2019**

### Tramping/biking trail

This will be a family friendly hiking and biking trail which will take you to the coast via Surrey Hill Road, Ōakura. On your journey you'll travel through beautiful regenerating New Zealand Rainforest. **2019 – 2022**

### Hiking/biking trail

This will be a grade two hiking and biking loop of about 5km through Pukeiti's rainforest. **2021 – 2022**

### Hiking/biking trail

We will improve the trail and build new bridges through the historic tramline which was originally formed in the 1920s and has been closed in recent years. This is the first stage of the track to the coast. **2018 – 2019**

### Hiking/biking trail

A grade three loop of about 5.5km. **2022 – 2023**

### New bridge to private accommodation

**2021 – 2022**

### Walking trail

The unique and beautiful Valley of the Giants area will be enhanced by upgrading the shelter, adding artworks, story panels, toilets and a fitness trail. **2018 – 2020**

### Lodge

We are completing the landscaping around the recently rebuilt Lodge. **2018 – 2019**

### Canopy walk

This will be a spectacular gateway from the garden to the rainforest with awesome views. It will make the rainforest much more accessible to walkers and bikers. **2018 – 2020**
